# **Jump Start IN MUSIC**

Don't miss out on these important first steps in starting your musical journey on a band or orchestra instrument. It's the best way to decide what instrument is right for you, and to get a jump start through one-on-one instruction from accomplished musicians.

## **Instrument Petting Zoo**

**Wednesday, August 5th**

4:00 – 6:00pm

**Charter High School Portables**

New music students and parents are strongly encouraged to come explore and try-out all the different band and orchestra instruments offered, even if they aren't yet enrolled in a music class or already "know" what they want to play. By attending, they will be able to thoroughly investigate all their options and receive some helpful pointers to help them find their best musical match. Experienced musicians will be on hand to assist, and parents can have some Q&A time with Mr. H and check out rental information from local music stores. Please make arrangements to attend if you are able!

## **Band & Orchestra Camp**

**Tuesday, August 25<sup>th</sup>**

1:00pm – 5:00pm

**Middle School Multi-purpose Room**

*(immediately following the Panther Prowl orientation)*

On this important afternoon, beginning music students will be given individual attention on their instrument from accomplished musicians and educators. In only a few hours, they cover the important first steps and will leap forward to playing their first songs. Those who attend will be better instilled with the correct habits right from the start. It can take weeks in band class to accomplish what can be done at this very important Camp. You don't want to miss this!

**It's like getting 3 hours of private lessons for FREE!!!**
